Time: 10:00 am Onwards.

Venue: Girls Common Room-Room no.-102, First floor, RMDSSOE.

Name of Guest:

Dr. Trupti Dharpawar and Team.

Breast Cancer research coordinator at Prayas, Anudnya-Sathi Foundation, Pune.

An Institute level social event camp on “Cervical Cancer and Breast Cancer check up” was organized under social activity by department of Computer Engineering under Association with Computer Engineers (ACE) on 22nd March 2022. Thought behind this social camp was to provide awareness about women’s health which depends on stress management, diet and exercise. Health is an important component of human development. With the rapid changes brought about through globalization and the resultant new economic order, there is an increase in the need for academic studies to be focused on the area of women’s health. The proposed lecture precisely intended to deliberate and contribute to the understanding of a wide span of issues particularly focusing on the gendered aspects of women’s health.

Purpose:

The social camp proposed to look into issues pertaining to women's access to health care facilities in India, inform and empower women to take responsibility for their health, the rise in sexually transmitted diseases among women, health problems of working women & educating women on frequent health issues.

I. FELICITATION OF GUEST

Guest Dr. Trupti Dharpawar was felicitated by Dean Academics RMDSSOE, Warje- Dr. S. S. Mulik. And her team was felicitated by HOD of Computer Engineering Department RMDSSOE, Warje-Prof. V. M. Lomte.

II. SPEECH BY GUEST

Dr. Trupti Dharpawar in her session spread the awareness about the essence of exercise for Woman fitness. She also addressed various issues impacting woman health at various ages and how can we mitigate their impact with regular exercise. She then suggested to

handle the inequality both inside and outside the workplace which can affect the health and safety of women at work.

Following major issues have been discussed by guest.

- Health of mother and children
- Balanced diet
- Cleanliness
- Personal hygiene
- Importance of exercise
- Awareness and prevention of common diseases and epidemics
- Health, Hygiene and Nutrition of Women
- Health Issues of Working Women: Organized and Unorganized Sectors
- Effects of Stress
- Gender Equality
- PCOD, Obesity, Thyroid
- Discussion

III. VOTE OF THANKS

This social camp promoted a very healthy and positive effect among the women as they learnt a lot from it. They also promised to implement it practically in their families.

Thanksgiving speech was delivered for those who attended the camp and to the guest who guided us and managed to come from her busy schedule.
