

RMD Sinhgad Technical Institutes Campus  
**RMD Sinhgad School of Engineering, Warje, Pune**  
Department of Computer Engineering  
Academic Year 2021-22 (SEM-I)  
**REPORT**  
**Webinar on “PYTHON with MYSQL”**

**Event Name:** Online seminar on “PYTHON with MYSQL”

**Day & Date:** Thursday, 12 August 2021

**Time:** 4.00pm to 5.00pm.

**CLASS:** TE & BE Students (Computer)

**Students Present: 100**

**Speaker:**

Ms.R Divyanjali  
Project Engineer,  
PANTECH E-learning Solutions, Pune.

**Mode of Conduction:** Live on YouTube Channel(<https://bit.ly/3v3SUNQ>)

**Purpose:**

To know about the topic python with MYSQL.

**Points discussed:**

- Provides course on advanced Python Programming, Deep Learning, Machine Learning
- Provides 360 learning covering all learning aspects along with Live projects
- Helps to understand concept and apply in their projects.
- Provides certification.
- Smart learning and assessment of portal

**How it was benefited:**

- To know companies specific requirement.
- Understood the process smart and online learning.
- Registered students will get benefited.
- They can add to their resume.

## Vote of thanks:

Students were highly motivated by the Speaker. Faculty coordinator, Mrs. Pradnya Kasture gave a vote of thanks to the Speaker, HOD ,Principal ,Dean Academics and all participants.

## Clicked Moments:

The image displays two screenshots related to a webinar event. On the left is a screenshot of a Zoom meeting interface. The meeting title is "Connecting Python with SQL Database". The interface shows a live chat window with 74 participants. The chat history includes a message from Pantech eLearning about an upcoming FREE Webinar on MySQL with Python, a question from NILESH DEORE regarding certificate eligibility, and a welcome message to the live chat. On the right is a promotional poster for the webinar. The poster features the Pantech eLearning logo and the text "DIGITAL LEARNING SIMPLIFIED". It identifies the host as RMD SINHGAD SCHOOL OF ENGINEERING, PUNE, Department of Computer Engineering. The webinar is titled "WEBINAR ON MYSQL WITH PYTHON" and is scheduled for 12.08.2021 from 04.00 PM to 05.00 PM. The poster lists the Patron as Dr.V.V.Dixit, the Convener as V.M.Lomik, and the Co-ordinators as Trupti K Dange and Pradnya Kasture. The website www.pantechlearning.com is also mentioned.

The screenshot displays a live-streamed video from YouTube. The main content is a Python script in a code editor window, demonstrating a MySQL connection. The code is as follows:

```
1
2
3
4 import mysql.connector as mysql
5
6
7 db = mysql.connect(
8     host = "localhost",
9     charset='utf8',
10    user = "root",
11    passwd = "password"
12)
13
14 print("Connectivity is done")
15
16
17
18
```

Below the code editor, the video title is "Python With MYSQL | RMD Sinhgad College of Engineering, Pune | Pantech eLearning". The video has 979 views and was streamed live on August 12, 2021. It has 62 likes and 1 comment. The interface includes standard YouTube controls for like, comment, share, and save.

On the right side, there is a "Top chat replay" overlay. It features a pinned message from "Pantech eLearning" with the text: "Join Our WhatsApp Group Get Daily Update <https://chat.whatsapp.com/FQJua1R796qa...>". Below this, several chat messages are visible, including one from "suraj bhosale" and another from "6019 JASPREET VB". A "Pantech eLearning" channel promotion message is also present, asking new visitors to subscribe to the channel.
