### **Detailed Report:**

The student Training Program (STP) is the activity conducted in RMD Sinhgad School of Engineering. Under STP IV, on Technical Writing Skills was taught Deepali Newaskar including topic Literaturereview. The topic was covered like Writing paper, proposal etc. by Mrs. Deepali Newaskar.

Under Research Methodology, students are made aware about research, types of research, how to do literature review, information about plagiarism check, technical paperwriting, etc.

Students are guided for writing technical paper, including abstract, keywords, technical contents, etc. All students were asked to write a technical paper on mini projecttopic.

Prof. Mrs. Deepali Newaskar explained about technical writing. Common points which must be followed while writing technical stuff, Significance of publishing your research work in renound journals, etc. All the sessions were successfully completed.
