Report on “STP-IV Module 3: Literature Review”

Sr. No	Event Details	
1)	Name of Event	Student Training Program-IV
2)	Institute name	RMD Sinhgad School of Engineering
3)	Date, Venue of Event	11/1/2020, Seminar Session Class Room : 622
4)	Participants	T. E. E&TC Students
5)	Purpose	To understand Literature Review for Research
6)	Program Coordinator:	Prof. R. U. Shekokar
7)	Program Committee Members:	All the faculties of E&TC department

Detailed Report:

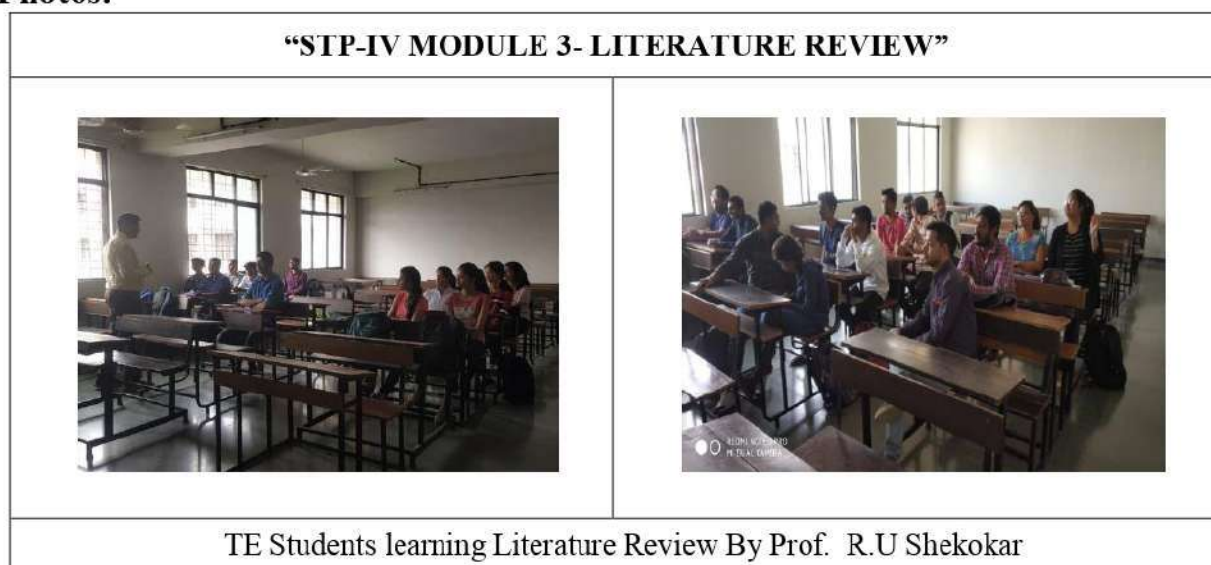

The student Training Program (STP) is the activity conducted in RMD Sinhgad School of Engineering. Under STP IV, Literature Review topic was conducted by Prof. R.U. Shekokar.

Under Research Methodology, students are made aware about how to do literature review, information about plagiarism check, technical paper writing, etc.

Prof. R. U. Shekokar explained about importance of literature review. How to write a literature review, etc. the importance of literature review for research work and paper writing. A literature review is a survey of scholarly sources (such as books, journal articles, and theses) related to a specific topic or research question. It is often written as part of a thesis, dissertation, or research paper, in order to situate your work in relation to existing knowledge.

Common points which must be followed while writing technical stuff, Significance of publishing your research work in rebound journals, etc. All the sessions were successfully completed.
