6	<b>Program Coordinator</b>	Mr. Ketan Kyadar
7	<b>Program Committee Members:</b>	Mrs. Pratibha Mulik, Mr. Ashish Ramteke

## BRIEF REPORT OF THE ACTIVITY

The Pariksha Pe Charcha 2023 program was successfully conducted in RMD STIC for first year Engineering (F.E.) students. Around 200 students of First -Year Engineering of the RMD STIC had participated in the event.

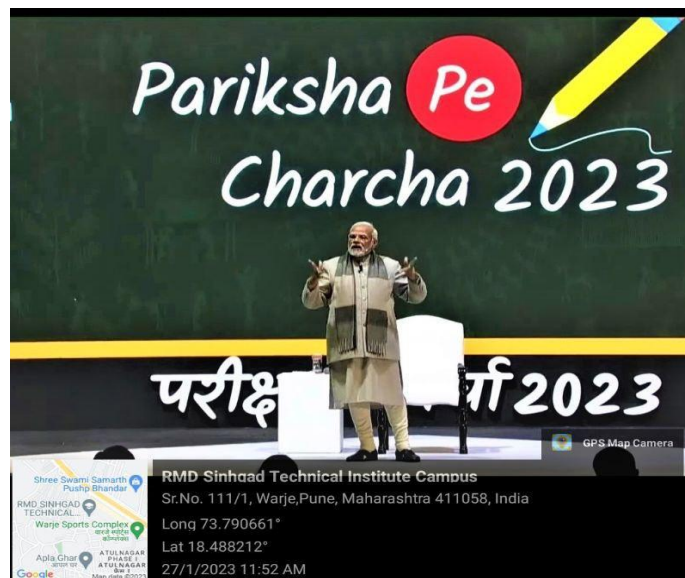

This year was the Sixth Edition of the Pariksha Pe Charcha program. The program is part of the larger movement – ‘Exam Warriors’ – led by Hon’ble Prime Minister Narendra Modi, to create a stress-free atmosphere for youngsters.

The queries raised by the students were very universal and thus all the students were able to relate with them. Many queries were put forth by students from different institutes across all the states of India via virtual medium as well as one on one conversations. The students asked many queries right from right approach towards studies to personality development. The Hon’ble P.M. shared his personal experiences and the approach he has while dealing with demanding situations in his life. The Hon’ble P.M. urged everyone to put exams in the right perspective, rather than making it a life-and-death situation punctuated by undue stress and pressure. Learning should be an enjoyable, fulfilling and endless journey

The guidance and solutions given by Hon’ble P.M. would be beneficial to the students not just for facing the exams in academic field but also help them develop perspectives to face the real-life issues in personal as well as public and professional life.

**Glimpses:**

**Program Outcome**

The students shall draw inspiration from Hon’ble Prime Ministers’ personal life, his approach towards challenges faced by him in personal and professional life. The interaction will boost the confidence of the students while facing exams as well as different situations in life. Overall session was very informative for students.
