COMMITTEE ACTIVITY REPORT A.Y. 2021-2022

Report on “Student Training Program-IV”-Module I

Sr. No.	Event Details:	
1.	Name of the Event:	Student Training Program-IV- Module I
2.	Institute name	RMD Sinhgad School of Engineering
3.	Date, time and Venue of Event	Seminar Session Class Room : 622 Date:19 Apr 2022
4.	Participants:	T. E. E&TC Students
5.	Purpose:	To understand Research Methodology
6.	Program Coordinator:	Dr. Snehal Bhosale
7.	Program Committee Members:	All the faculties of E&TC department

About Activity:

The student Training Program (STP) is the activity conducted in RMD Sinhgad School of Engineering. Under STP IV, i.e. Research Methodology was taught by Dr. Snehal Bhosale, HOD E&Tc Department and Institute STP coordinator.

Under Research Methodology, students are made aware about research, types of research, how to do literature review, information about plagiarism check, technical paper writing, etc.

Students are guided for writing technical paper, including abstract, keywords, technical contents, etc. All students were asked to write a technical paper on mini project topic.

Students are asked to visit some renowned websites to refer some technical papers and were shown how literature review helps in writing a paper.

COMMITTEE ACTIVITY REPORT A.Y. 2021-2022

Report on “Student Training Program-IV”-Module III

Sr. No.	Event Details:	
1.	Name of the Event:	Student Training Program-IV Module III
2.	Institute name	RMD Sinhgad School of Engineering
3.	Date, time and Venue of Event	Seminar Session Class Room : 622 Date: 22 Apr 2022
4.	Participants	T. E. E&TC Students
5.	Purpose	To understand and learn Technical Writing Skills
6.	Program Coordinator:	Prof. Deepali Newaskar
7.	Program Committee Members:	All the faculties of E&TC department

About Activity:

The student Training Program (STP) is the activity conducted in RMD Sinhgad School of Engineering. Under STP IV, module III is Technical Writing which is conducted by Mrs. Deepali Newaskar.

Students are guided for writing technical paper, including abstract, keywords, technical contents, etc. All students were asked to write a technical paper on mini project topic.

Prof. Mrs. Deepali Newaskar explained about technical writing. Common points which must be followed while writing technical stuff, Significance of publishing your research work in renowned journals, etc. The session was successfully completed.
