A Detailed Report:

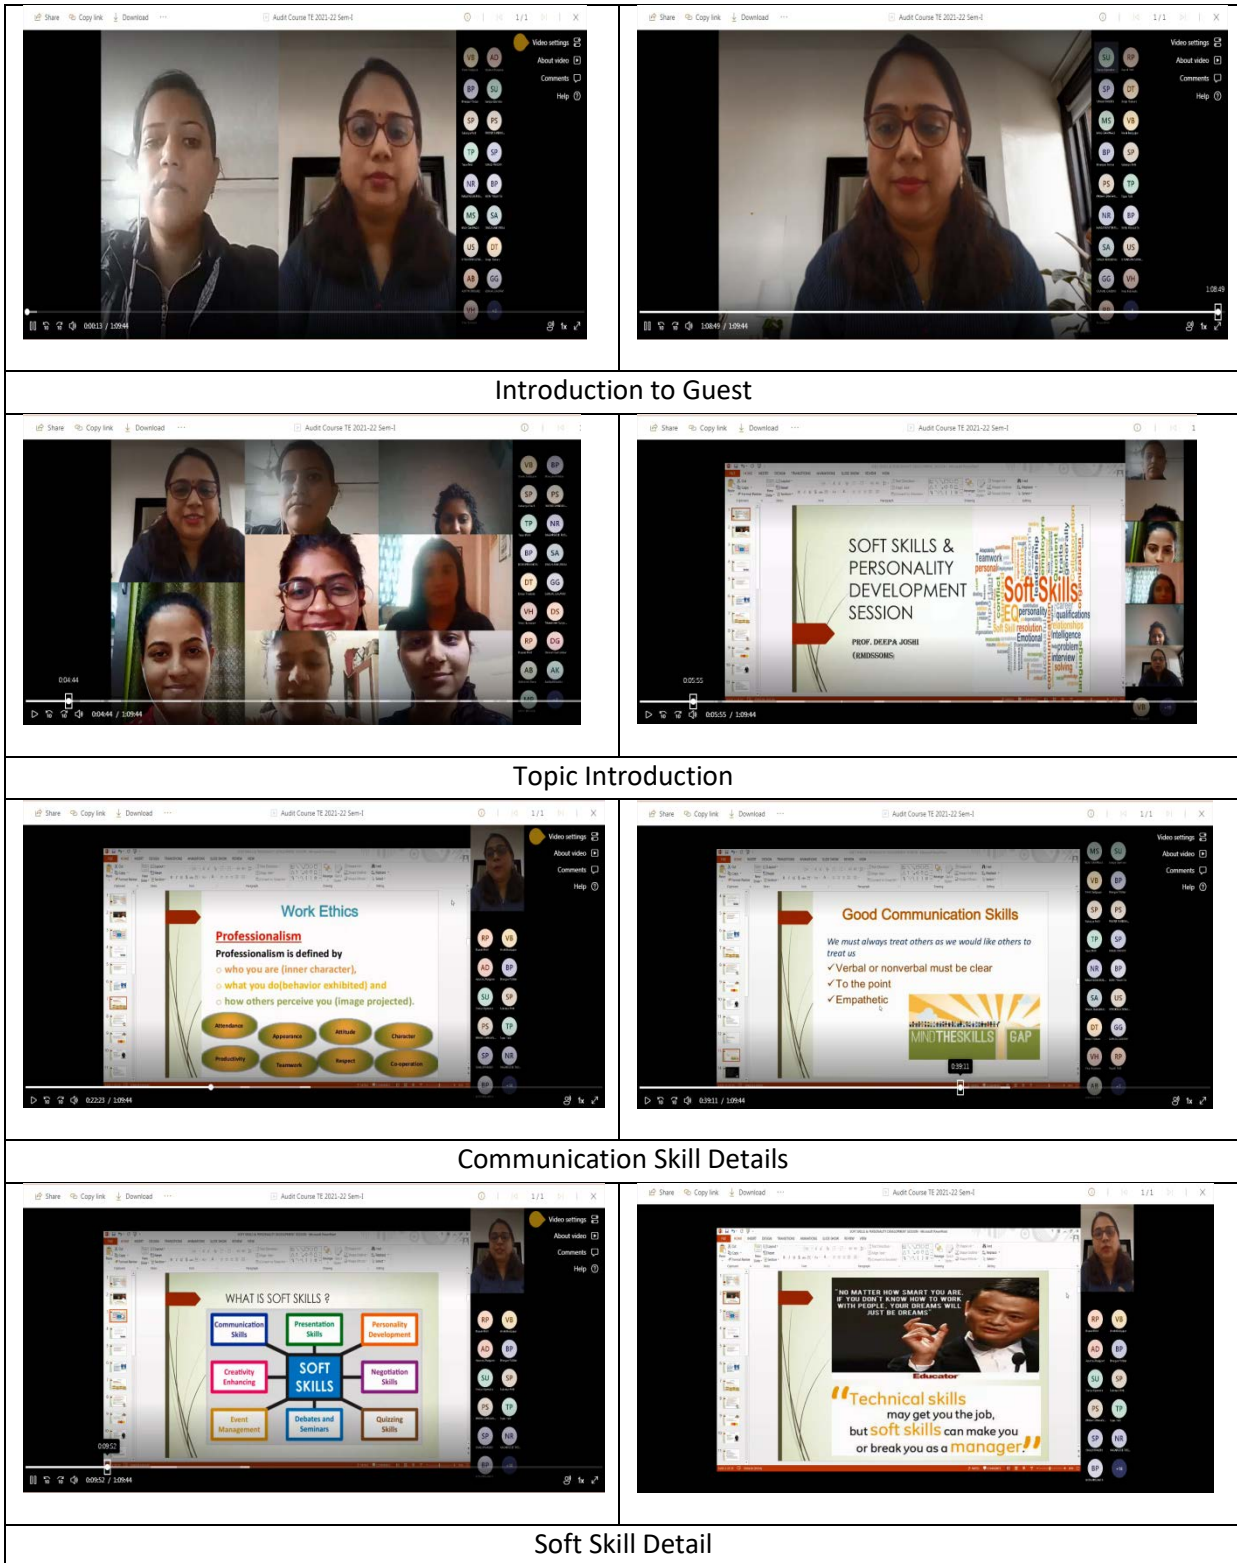

Online audit course “**Developing Soft Skills and Personality**” organized by E&TC Department was started at **11.00 am** on **Tuesday 14th Dec 2022** for TE students The **total 28 no of students** were participated from E&TC .

Soft skills comprise pleasant and appealing personality traits as **self-confidence, positive attitude, emotional intelligence, social grace, flexibility, friendliness and effective communication skills.**

Personality development is defined as a process of developing and enhancing one’s personality. Personality development helps an individual to gain confidence and high self esteem. Individuals need to have a style of their own for others to follow them. You need to set an example for people around. Personality development not only makes you look good and presentable but also helps you face the world with a smile. Personality development helps you develop a positive attitude in life.

The webinar was concluded on **14th Dec 2022** at 11.00 am. The vote of thanks was given by Mrs. Rupali Patil and Student Saniya.
