About Activity:

The meeting started with the welcome address of HoD Dr. Snehal Bhosale. She briefed the gathering (of about 40 parents, all S.E. and T.E students along with faculties) with a Presentation on the general information about the institute and departmental level activities carried out at RMDSSOE and some achievements of students/staff. There were points like participation of students in various co curricular activities etc. have been raised.

After that Institute Training and Placement Officer Prof. Anant More sir discussed about placement activities carried out during the academic year. Also he explained what the placement effort needs to be strengthening considering present academic scenario by the students. Students should focus more to improve communication skill and their Personality development other than curricular activity. What type of Fundamental progress/activities needed for getting placed in campus placement that was very well discussed by TPO.

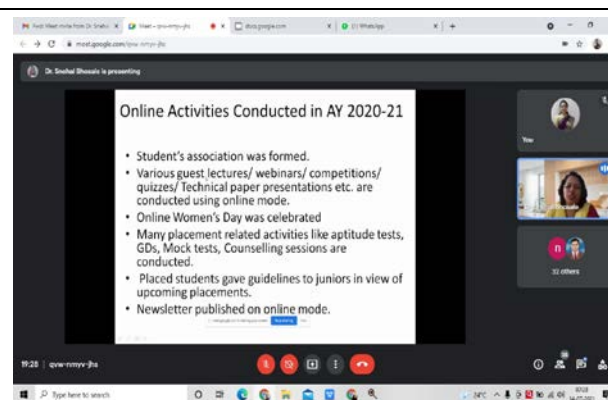

After all discussion, parent's doubts are cleared by HoD mam and TPO coordinator and meeting got ended with vote of thanks given by HoD of Department Dr. Snehal Bhosale.

Program outcome:

It all comes down to positive relationships with teachers and ultimately students that will enhance success during academics and throughout the year. A parent-teacher meeting is a great opportunity to share academic progress and growth based on academics observations, testing data, assessments, portfolios, and assignments.
