## About Activity:

The visit for orphanage was organized for celebration of Engineering Day in the E&TC Dept. of RMDSSOE. The visit was held on 27 Sept. 2021, at orphanage “Aniket Sevabhavi Sanstha, Bavdhan, Paud Mulshi Road, Pune.” The visit and activity in orphanage was organized by the member’s of students association, e-WORTS.

Attendees of this visit in orphanage were Mrs. Rupali Patil and all other E-worts members of E&TC department. Viraj, Aditya and Rupali mam have shortly introduced ourself to all orphan head, staff members & children’s that from where and why we have come here to meet them. Then we have done small celebration for them by cutting cake with them, then that all children’s have shared their name and given us small greeting, also we played some games with that children’s in orphanage like passing the ball and some more. Then few children’s from orphanage shared some activities like singing the song, dancing etc. All orphan children’s and we all college students have danced together they all enjoyed. Also the member of e-worts spend some time with the people of the orphanage and debated with them personally. They shown us what art activity they takes for their children’s and how they are performed and what are results. Also, the members of e-worts distributed snacks and juice to the children’s of the orphanage. At the end, vote thanks was given by both the side.

**Games Played With Them.**

## **Program outcome:**

Overall, the visit was very much motivating for every students. We got to know how to take care/deal with special childs and what orphanage needs from society, and it is very big task to handle them. All the students enjoyed this visit.

I would thanks to our H.O.D. Dr. Snehal Bhosale mam for giving us permission in pandemic of Covid and idea of celebrating Engineers Day in different way.

Last but not least I will like to thanks "Aniket Sevabhavi Sanstha" for giving permission us for visiting their orphanage and to spend time with children's.
