Detailed Report:

e_WORTS:

WINING ORIENTED & RADIANT TELECOMMUNICATION SOCIETY (E&TC Student's Forum)

Getting involved with the Student Association Board provides a terrific opportunity to gain new skills in areas such as meeting procedures, planning, marketing, editing, organizing and working as part of a team - all of which are transferable to the workplace and look good on your resume.

The e-WORTS club of E&TC department was established in January 2013. This club is student's association club driven by the students and for the students. Since its commencement, the primary objective of the club has been to impart quality of students in terms of working in team, improving leadership quality, initiating new tasks for students, organizing different events for students as well as staff.

e-WORTS is platform for all cultural, traditional, social and technical activities. e-WORTS is for developing a good student, a good person. e-WORTS is Student's forum for the ENTC department. This forum is by the students, of the students and for the students.

Governing body Structure:

This club is totally formed by students. Whole team along with President and Vice President are from Third year class. Selection of these candidates is based on voting and interview basis. This interview is conducted by senior and previous team of the department.

Team is formed with following posts:

- | | |
|----------------------------|--------------------------|
| 1. President | 8. Student's coordinator |
| 2. Vice President | 9. Sports coordinator |
| 3. Treasurer | 10. Photography |
| 4. Secretary | 11. Wall-Magazine |
| 5. Documentation | 12. Logistics |
| 6. Roboclub | 13. Decoration |
| 7. Cultural representative | |

Execution Cycle:

Once the club is formed students display the activities of the year. This club is fully run by students. It is monitored by one of the staff members.

Technical activities like

- **Technical Quiz,**
- **Industrial tours,**
- **Aptitude test,**
- **Workshops**
- **Guest lectures ,**

are organized by the students.

Under nontechnical activities,

- **Indoor and Outdoor Game Competition,**
- **Teacher's day celebration, Engineer's Day celebration**
- **Topper's felicitation.**

But due to Pandemic situation offline conduction of events was not possible so this team handled all events online

Elections of e-WORTS:

Election process of **e-WORTS** (Department of Electronics and Telecommunication Engineering of RMDSSOE) is one of the most important events in the year.

Elections are conducted on department level for various posts including- President, Vice President, Treasurer, Secretary, Technical coordinator, Cultural representative, Student's coordinator, Logistics, Wall Magazine Coordinator etc. And they carry out all the technical and cultural activities throughout the year.

Process of year (2022-2023):

First of all Mrs. Rupali Patil mam came into the class and gave us information about the whole process of election and its schedule. Then all the students gathered together to discuss about the elections on primary level. They decided about the candidates who were willing to run for president, vice president and other related posts in the election.

After that, elections were conducted for all the posts by the B.E students (ex-committee of e-WORTS) with the help and guidance of teaching staff. There were many students who were willingly running for post of President, vice president, etc. After that candidates were given time for campaigning.

- Nominations
- Interview

After giving nominations through google form , each candidate were called for the Interview round which includes testing their other skills like verbal
