Academic Audit summary For A.Y. 2021-2022

IQAC conducts meeting every quarterly to ensure smooth conduction of regular academic activities along with performance improvement. It also ensures the overall development by institutionalizing the best practices, incorporating some social activities to imbibe sense of belongingness towards the society in students, enhance research culture, etc. IQAC motivates students and faculty members to inculcate the research habits within themselves. Motivation was given for writing journal papers/ Sci indexed and Scopus indexed papers as well as attending good conferences such as IEEE. Students and staff were motivated to do online courses conducted on Swayam, NPTEL or MOOC platforms.

Academic Calendar:

RMD Sinhgad Technical Institutes Campus strictly adheres to the academic calendar proposed so that every activity including teaching is conducted in a smoother and guided way, in a way it helps in maintaining discipline in the institution and helps in putting a step forward to achieve the quality education. Along with the discipline it gives sense to students and staff that proper planning can lead to success in a bigger picture.

Academic Handbook:

Academic handbook is prepared by every department before start of the semester. It includes all subjects for the current semester, subjects teaching plan, assignments on all six units along with set of unit tests and prelim papers. Academic handbook is shared with all the students so that they get complete idea about the subject. Assignments are solved by all the students after completion of the respective unit. Every subject teacher checks the assignments and timely completion leads to score good marks during regular assessment.

Students Training Program including VAP:

Students Training Program is the unique feature of Sinhgad Technical Education Society and considered as one of the best practices. The curriculum for STP is designed by a unique thought process which enhances skillsets in students which help them to do better every time in their personal lives too. They learn how to do SWOT analysis, time management skills, four pillars of communication such as reading, writing, public speaking skills, presentation skills, etc. Students could get to learn other cutting-edge technologies through different value addition programs arranged throughout the year.

Feedback:

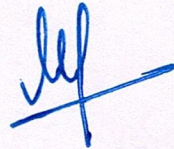

Feedback is taken from all the stakeholders, i.e. students, industry, teachers, alumni, etc. All the feedbacks are analyzed carefully and corrective actions are taken wherever required to achieve the overall success.

The Summary for the academic year 2021-22 is as follows:

- ❖ Ph.D. completed -10
- ❖ Research Grant Received: 1.10 Lac Rs
- ❖ Publications Journals-75
- ❖ Conference papers -07
- ❖ UGC Papers-25
- ❖ Books/ Chapters published-05
- ❖ Workshops/ Conferences Attended-113
- ❖ MOU's-03
- ❖ VAP-18
- ❖ Industrial Visits-13
- ❖ Coursera -80 students completed different courses.
- ❖ Participation in NPTEL-05
- ❖ Placements and Higher studies - 441
- ❖ Patents, Copy rights-03
- ❖ Sports Activities and Cultural Activities -17
- ❖ Internships-584

Internal Academic Audit

Department Name: Computer Engineering

Programme Name: Bachelor of Computer Engineering

Academic Year: 2021-22

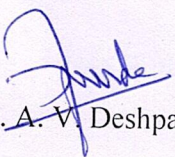

Sr.No	Particulars	Yes/ No	Observation by External Auditor (Please note down details here)
1	Are PEO's, PO's, CO's defined as per the guidelines of SPPU?	Yes	PEO's, PO's, CO's are defined as per guideline of SPPU
2	Whether the faculties in the department are as per AICITE norms?	Yes	
3	Whether faculty members encouraged and supported to pursue Ph.D.?	Yes	Total 07 faculties are pursuing their Ph.D.
4	Whether the department organized events like Conferences, FDP, Workshops, Seminars and Webinars for enriching teaching-learning process?	Yes	1. Seminar on Start-up Guidance And Intellectual Property Rights 2. Seminar on Intellectual Property Rights 3. One Day Online Faculty Orientation Program on "Software Testing and Quality Assurance" in association with Board of Studies (Computer Engineering), Savitribai Phule Pune University, Pune 4. Two days National Level Workshop In association with Savitribai Phule Pune University, Pune Under Quality Improvement Programs, on "Implementation of National Education Policy 2020: Industry- Institute Linkage"
5	Whether the department and faculty members organized and participated in Train The Trainer (TTT) program of STES?	No	

6	Whether the faculty members undertook collaborative projects with industry/ as resource persons in FDP/Seminars/ Workshops/ Training programs as a part of Industry Institute Interaction?	Yes	Industry Projects,Resource Person for Seminar & Guest Lectures
7	Did the faculty members publish research papers in journals/ conference proceedings/ books/ chapters in books?	Yes	Research Paper in Journals:75 Research Paper in conference:02
8	Were students encouraged for publishing research paper in journals and Conferences?	Yes	Research Paper in Journals:82 Research Paper in conference:02
9	Whether the department had organized Industrial / Site Visits for students?	No	
10	Whether the department promoted internships for students to enhance application oriented knowledge?	Yes	Total 164 students have completed internship in 2022-23.
11	Did the department sign any MOU with industry for better industry institute interaction?	Yes	04 MOU's signed with industry.
12	Has the department received any research grants/ consultancy projects from industry and other statutory organizations?	No	
13	Whether the department (faculty/ students) applied for any patents/ copyrights	Yes	Patents:11
14	Does the department has the mechanism in place for slow learners for their academics improvement?	Yes	Concern faculties took extra lecture for slow learners

15	Are Tutorial/ remedial lectures planned and conducted for the students.	Yes	Remedial lectures were planned for weak students & conducted by respective teachers.
16	Whether department organized Guest lectures/ seminars/ workshops for students for better understanding of the subject/to cover content beyond syllabus?	Yes	Workshop-02 Seminar-03
18	Whether the department effectively conducted student training program for developing soft skills and research acumen among students?	Yes	Effectively conducted STP-I, STP-II STP - III, STP-IV and STP-V
19	Whether the department encouraged students and faculties for self-learning certified online courses	Yes	Udemy, Coursera, Microsoft etc.
20	Is mechanism for students counseling/ mentoring/ Teacher Guardian Scheme at place?	Yes	1 Teacher per 20 students as a teacher guardian
21	Whether the department has the practice of updating and verification of course files?	Yes	Course file are updated for every new SEM
22	Whether the department has a mechanism for examination result analysis and step to improve the students' examination results?	Yes	Result analysis were done & extra lectures arranged for failed students
23	Does the department have the practice of collecting feedback from stakeholders?	Yes	Feedback from stake holders were collected and analysed.

Sr.No	Particulars	Yes/ No	Observation by External Auditor (Please note down details here)
1	Are PEO's, PO's, CO's defined as per the guidelines of SPPU?	Yes	Are PEO's, PO's, CO's defined as per the guidelines of SPPU & Committee of domain experts
2	Whether the faculties in the department are as per AICTE norms?	Yes	
3	Whether faculty members encouraged and supported to pursue Ph.D.?	Yes	Faculty are encouraged by HOD for Ph.D.
4	Whether the department organized events like Conferences, FDP, Workshops, Seminars and Webinars for enriching teaching-learning process?	Yes	Workshops, seminars webinars from industry expert are conducted for SE/TE/BE students.
5	Whether the department and faculty members organized and participated in Train The Trainer(TTT) program of STES?	Yes	Faculty of department had participated in TTT program of STES.
6	Whether the faculty members undertook collaborative projects with industry/ as resource persons in FDP/Seminars/ Workshops/ Training programs as a part of Industry Institute Interaction?		
7	Did the faculty members publish research papers in journals/	Yes	Faculty had published paper in

	conference proceedings/ books/ chapters in books?		journal, conference.
8	Were students encouraged for publishing research paper in journals and Conferences?	Yes	BE students are encouraged to publish paper on their BE projects
9	Whether the department had organized Industrial / Site Visits for students?	Yes	The industrial visits are arranged as per Syallabus.
10	Whether the department promoted internships for students to enhance application oriented knowledge?	Yes	Students are motivated for internship to update their skills.
11	Did the department sign any MOU with industry for better industry institute interaction?	Yes	MOU has be sign with IFR & related seminars conducted to it.
12	Has the department received any research grants/ consultancy projects from industry and other statutory organizations?	No	
13	Whether the department (faculty/ students) applied for any patents/ copyrights	Yes	Faculty have published/ grant the parent.
14	Does the department has the mechanism in place for slow learners for their academics improvement?	Yes	Extra classes, TG/ Counseller are connected for slow learners.
15	Are Tutorial/ remedial lectures planned and conducted for the students	Yes	Remedial lectures are planned for the students.
16	Whether department organized Guest lectures/ seminars/ workshops for students for better understanding of the subject/to cover content beyond syllabus?	Yes	Organized for TE/BE lecture, seminars related beyond syallabus.

18	Whether the department effectively conducted student training program for developing soft skills and research acumen among students?	Yes	STP are conducted for SE,Te & VAP for BE.
19	Whether the department encouraged students and faculties for self- learning certified online courses	Yes	Staff informs students& NPTEL for registration of course.
20	Is mechanism for students counseling/ mentoring/ Teacher Guardian Scheme at place?	Yes	
21	Whether the department has the practice of updating and verification of course files?	Yes	The academic coordinator verify the course files.
22	Whether the department has a mechanism for examination result analysis and step to improve the students' examination results?	Yes	The result analysis are prepared & HOD, AC takes steps to improve results.
23	Does the department have the practice of collecting feedback from stakeholders?	Yes

MBA

Proposed plan of action based on Internal Academic Audit by the committee on

1. Make use of e-learning resources.
2. Help students take internships to get industry exposure.
3. Motivate students to participate in technical events and project competitions.
4. To encourage staff to attend Faculty Development Programs and workshops for technical skills enhancement. Encourage them to do research related activities and publish papers in SCI, Scopus, UGC care listed journals.
5. Encourage staff to do research and promote research culture in the department.
6. Strict adherence to the academic calendar for smooth conduction of the academics in the year.
7. Encourage more and more students to attend Students Training Program which will ensure academic as well as non-academic excellences, which in turn, shape them into a good human being.
8. Encourage staff and students for filing patents, make them aware of the provision of funding by the institute.
9. Encourage staff and students to participate in Project and research ideas competitions.
10. IPR related activities must be conducted on IPR/ Entrepreneurship/ startup.
11. To encourage staff to incorporate student centric activities and various case studies in their teaching methodologies.
