About Activity:

RMD Sinhgad Technical Institute Campus, organized a **Chess Competition** through D2C Igniters Club, RMDSSOE for all Engineering as well as MBA students on 24th March 2022 from 01 PM – 04:30 PM. This competition was organized in the Reading hall (near College Library) at Basement of RMDSSOE.

Our renowned club was introduced to help students to get involved with all the extra – curricular activities that will be organized through this club. Such an activity of “Chess Competition” was organized on the occasion of sports day in college. Almost 30+ students participated in the event and overall a great response was received from all. After the commencement of the program the competition started and was held in total 4 rounds. After all the rounds were successfully completed we got our 2 finalists, and later on the final round was held.

Thus the winner and the runner – up of the competition was awarded with a trophy by our faculty members.
