REPORT ON "D-JANGO FRAMEWORK" WORKSHOP (A.Y. 2022-2023)

|	
Program Committee:	Dr. V. V Dixit Dr. S. S. Mulik Prof. Sweta Kale
Program Co-ordinator:	Mrs. Anagha Jawalkar
Guest Speaker:	Mr. Swami Panjala (CEO Elite softwares Pune)
Date:	4th & 5th November 2022
Venue:	RMD Sinhgad School of Engineering, Warje, Pune.

About Activity:

RMD Sinhgad Technical Institute Campus Department of Information Technology, organized a workshop on " Django Framework " for students of SE and TE (IT) Departments on 4th & 5th November 2022 from 11:00 AM to 3:00 PM. This workshop was conducted in the Lab no. 505 (IT Dept)

Django Framework is a high-level Python web framework that encourages rapid development and clean, pragmatic design. In this workshop, students were guided to develop web application frameworks using Python. Individual students have hands-on practical experience. Students participated enthusiastically in the workshop. The session was well organized as well as the presenter was very knowledgeable and offered valuable information and tips.

Thus the program concluded with a vote of thanks and some more guidelines by the Guest speaker for future endeavors.
