### **Detail:**

“Don’t be dismayed by good-byes. A farewell is necessary before you can meet again. And meeting again, after moments or lifetimes, is certain for those who are friends.” This is the only day in our student life where will be both happy and sad at the same time. A farewell is the end of our student life but not the end of our relationship and that we have built over the years.

“May the road rise up to meet you. May the wind be even at your back. May the sun shine warm upon your face and the rain fall softly on your fields. And until we meet again, may God hold you in the hollow of his hand”.

It was a beautiful morning, the sun shining brightly as the batch of 2022 showed up, dressed in their finery. The young ladies glowed in fuchsia- colored dresses whereas gentlemen carried themselves smartly in suits. Elegantly dressed, the outgoing students entered the college premises at morning and they were well received by class TE students. In the foyer a signature board was displayed where all the senior batch students were requested to pen down their emotions.
