RMDSTIC/ Higher Education Cell

About Higher Education Cell

The Higher Education Cell in the college is formed with a view to provide guidance and give exposure to students on pursuing higher education in foreign countries and India .This cell is an integral part of the training and placement cell. The main aim of this cell is to provide all possible support to students willing to pursue higher education. It provides students counselling on various available courses by conducting many seminars and Guest lectures to encourage students to pursue their field of interest.

Objectives of Higher Education Cell

- To create awareness among students of various avenues for higher studies.
- To collect the data of the graduating students who aspire to study abroad and to maintain a comprehensive database .
- To create awareness about higher studies in India and Abroad
- To collect data of the Alumni who have done higher studies
- To guide them in taking up various Competitive Examinations like CAT, MAT, GATE, GMAT, SAT, GRE ,TOEFL and civil services
- To guide students in the various procedures involved in getting admission to various Universities in India & Abroad.

Responsibilities of Higher Education Cell

- Help the student explore the career fields in the student's branch of engineering and provide information about Higher education and job opportunities.
- Provide information with regard to the students going abroad for higher education to the Placements Cell from time-to-time so that Placements Cell can update its database that can be shared later with the junior students whenever a need arises.
- To Keep close contact with alumni who went for higher education and enquire about their well being and performance and share the same with the HoD, and the Placements Cell. Passes this information to the students concerned on request.
- Organise Seminars on "Higher Education at various Universities abroad, Career Guidance sessions, Awareness sessions on various competitive exams CAT, MAT, GATE, GMAT, SAT, GRE ,TOEFL and civil services" periodically.
