BRIEF REPORT OF THE ACTIVITY:

RMD Sinhgad School of Engineering First Year department had organized a "Poster Making Competition" for the students of First Year Engineering.

The objective of the competition was to ignite the fire of imagination and creativity in the students. The Topics of the competition were Technology Addiction, Organ Donation, Drug Addiction, Stress Management and Child Labor.

Students were asked to express their ideas through paintings and sketches on poster. Students displayed their artistic skills through an array of posters. Students made beautiful posters which gave the message of awareness on given topics.

It was a great opportunity to watch these young minds creating and displaying their ideas on paper. The students thoroughly enjoyed the activity.

BRIEF REPORT OF THE ACTIVITY:

RMD Sinhgad School of Engineering First Year department had shown as a Motivational Video the "Movie Super 30" for the students of First Year Engineering in offline mode.

The long-gestating Movie Super 30 tells the inspiring story of math genius Anand Kumar, who is attempting to change the lives of meritorious but destitute students, 30 at a time. The rousing tale and fine performances of the film is bogged up by youngsters. This inspiring movie featuring the struggle of underprivileged, intelligent students in achieving goals of life. Such a story is motivating for today's generation. The film 'Super 30' taught everyone that one should remain hungry for success under adverse circumstances too.

Overall, this session was proven to be very interesting and entertaining for students.
