

Teachers Day Celebration 2022-2023

Date:-9th Sept. 2022

The teacher's day celebration was held on 5th September 2022 in Department of Computer Engineering -RMD Sinhgad School of Engineering, Warje ,Pune. It was organized by ACES Committee to show their gratitude toward teachers. Teacher's day is celebrated in India in order to mark the birth anniversary of Dr. Sarvapalli Radhakrishnan who was a staunch believer of education and was a well-known diplomat, scholar, President of India and above all a Teacher. When Dr. Radhakrishnan became the president of India in 1962, he was approached by some of his students and friends and requested him to celebrate his birthday as Teachers day. In reply, Dr. Radhakrishnan said, "Instead of celebrating my birthday separately, it would be my proud privilege if September 5 is observed as Teacher's Day". The request showed his love for teaching profession. From then onwards the day is celebrated as Teacher's Day in India.
