

SC/ST Student Committee

SC/ST Student Committee

SC/ST Student Committee

RMDSTIC / SC/ST Student Committee

Aim of SC/ST Student Committee

All castes, races, or tribes that have been socially, economically, or educationally disadvantaged are included. The cell was formed to support and integrate students from such areas into mainstream education.

The college's SC/ST cell was founded with the goal of empowering the college's SC/ST students. The college is particularly interested in arranging financial aid from state government organizations and other sources for students from these communities. They are also urged to enroll in career orientation programmes, which will provide them with the skills they need to select a career path.

Objectives of Gender Equality Committee

- To counsel and guide SC/ST students, as well as to assist them in managing their academic and personal lives.
- To deal efficiently with challenges that arise in college life.
- To establish a framework for resolving any grievances that SC/ST students may have.
