## **OUTCOME:**

Technology Business Incubation Center has provided a mechanism for knowledge transfer in terms of different activities like workshop, Seminar, Webinar, Conferences etc. on IPR, research life cycle and recent trends on different technology. We build strong industry tie-up through which our students and faculties got benefited by expert guidance, mentorship, center of excellence, Sponsored & live projects etc.

Research studies / surveys by faculties benefited the student's in their career & to improve their knowledge. Faculties in our institute are part of research cell through which they are contributing in terms of guiding students on project domain.

The faculties at RMDSTIC actively motivated in current area of research in their particular domain of engineering technology and management. The faculties and students also working on commercialization of research outcome after obtaining the patent.
