| **Venue:** | RMD Sinhgad School of Engineering, Warje, Pune |

**About Activity:**

Purpose of Student Induction Program is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self-exploration.

Department of Information Technology and SAINT Committee of RMD Sinhgad School of Engineering, Warje, Pune organized program for S.E students of IT department. T.E and S.E students were also present in this program which is held on 15<sup>th</sup> September 2023. The event was organized to acknowledge the college to students. It was held in the seminar hall of IT department, beautifully decorated with flowers, balloons, and festoons. The event commenced at 2 p.m. with the lighting of the diyas in front of Maa Saraswati's idol who is known as symbol of knowledge and peace. The Induction program served as a strong foundation for the students for beginning their remaining years long journey. It began with the welcoming students and introducing the college and departments to them. Soon after that HOD sir gave the speech to guide the students. After that SAINT Committee introduced each faculty to the students with their importance and their guidance. The theme of the day was Halloween. SAINT committee

organized the technical quiz for SE students. The main purpose of these quiz is to enhance the technical skills. They also arranged some fun games for the students to entertain them. Also, the committee organized another interesting game called Fish Pond. Here, committee members asked students to write their secrets and thoughts in chits which were then collected in boxes. The game was very enjoyable for the students. The event was concluded with a formal vote of thanks. Finally, the event was concluded at 4:00 p.m.
